## Motorcycle Rides

Joe Mitchell from Seneca, Kansas took time out of his day to travel down south to camp and do what he has done for so many years...give our kids rides on his Harley Davidson...thanks Joe!!

Weapons have been designed and made in Arts & Crafts all week long. Now comes the battle. Once struck dead, the only way to come to life and get back in the game is a squirt of bug spray...quite a concept!

# LARP ING

Dancing into the Future

# Camp Song

★ If you wanna run away with me, I know a galaxy  
 And I can take you for a ride  
 I had a premonition that we fell into a rhythm  
 Where the music don't stop for life  
 Glitter in the sky, glitter in my eyes  
 Shining just the way I like  
 If you're feeling like you need a little bit of company  
 You met me at the perfect time

★ You want me, I want you, baby  
 My sugarboo, I'm levitating  
 The Milky Way, we're rene-gad-ing  
 Yeah, yeah, yeah, yeah, yeah

★ I got you, moonlight, you're my starlight  
 I need you all night, come on, dance with me  
 I'm levitating  
 You, moonlight, you're my starlight  
 (You're the moonlight)  
 I need you all night, come on, dance with me  
 I'm levitating

★ I'm one of the greatest, ain't no debat-in' on it (Let's go)  
 I'm still levitated, I'm heavily medicated  
 Ironic I gave 'em love and they end up hatin' on me (Go)  
 She told me she love me and she been waitin'  
 Been fightin' hard for your love and I'm runnin' thin on my patience  
 Needed someone to hug, even took it back to the basics  
 You see what you got me out here doin'? (Yeah)  
 Mighta threw me off, but can't nobody stop the movement  
 Uh-uh, let's go  
 Left foot, right foot, levitatin' (C'mon)

★ I had to lace my shoes for all the blessings I was chasin' (Go)  
 If I ever slip, I'll fall into a better situation  
 So catch up, go put some cheese on it  
 Get out and get your bread up (Yeah, yeah)  
 They always leave when you fall, but you run together (Hey)  
 Weight of the world on my shoulders, I kept my head up  
 Now, baby, stand up, 'cause, girl, you
